

# JOB SEARCH BINGO

Asked for help with my toughest interview question	Identified my top 5 professional superpowers	Commented on 5 LinkedIn posts	Reached out to a former colleague	Created my personal brand language
Searched on 3 different job boards	Created a tracker for applications and follow-ups	Customized my LinkedIn URL	Wrote my "interview opening answer"	Added my headline to my email signature
Used my branding language in an introduction	Helped someone else with their search		Applied for a role that excites me	Did one thing I've been avoiding
Wrote down 3 accomplishments I'm proud of	Updated my LinkedIn profile	Followed up within 24 hours after networking	Joined my alma mater's alumni group	Asked someone for an introduction
Added my branding to my resume	Learned to connect on LinkedIn via QR code	Exported my LinkedIn Connections list	Found an unposted job lead	Created an ATS-friendly resume
